

WHAT IS THE DIFFERENCE?

I. There is no difference between Jew and Gentile in Salvation. Rom. 3:22

A. Both have same need of salvation.

1. Because "all have sinned."
2. Religion could not save the Jews
3. Intellectualism couldn't save the Greeks.

B. Both are offered the same way of salvation.

1. Righteousness of God is by faith up to all that believe. Acts 15:7-9
2. Justified freely by His Grace. Rom. 10:11

C. Since God makes no difference, we shouldn't be a respecter of persons in giving the gospel only to those in America to the neglect of others unreached in the regions beyond.

II. There is A Very Great Difference Between Sin And Righteousness.

A. God early taught His people to make a difference between the clean and the unclean. Ezek. 24:23

1. Lev. 11:47 & 44 - sanctify yourselves and be ye holy, for I am holy.
2. clean & unclean beasts & fowls - Lev. 20:25

B. The most tragic thing about the church of today is the failure to mark a clear line of demarcation between right & wrong - see. Ezek. 22:26

C. God's people must be separated - II Cor. 6:17
